Dear Kamal Hossain,

At Developic, we understand the importance of building client-focused websites that combine technical excellence with effective communication. We are committed to providing innovative and affordable solutions tailored to your unique needs, delivered on time and within budget.

Based on your business requirements, we have designed **Wanderer**, a website specifically tailored for travelers and tourists. This document outlines all features and functionalities covered in the system. Please review it carefully, and if it meets your approval, kindly sign and confirm the agreement.

Yours Truly,
Mariya Hossan Shayle
Head of Application Development Branch
